

GROVE TALK

2 NOVEMBER 2011

LOST PROPERTY

Please ask children to check the Lost Property table daily, during the week. All items will be displayed every Friday morning outside the hall.

Unmarked items will be kept for one week and then donated to charity.

“SPELLING RULES!” PROGRAMME 2012

In 2012 we are introducing the *Spelling Rules!* Programme for the Grade 3 -7 learners. Spelling is important for effective written communication and we believe that this programme will help us to improve the spelling skills of our learners. What we like about this programme is that it is designed to provide spelling instruction that is systematic, purposeful and sequential. Furthermore, although the focus is on spelling rules, many of the activities develop vocabulary as well as an understanding of grammatical patterns. It has had successful outcomes in other schools, and we hope to achieve the same positive results at The Grove.

The book costs R117. This will be reflected on each grade's stationery requirements list which will be sent home with your child shortly.
