WHAT IS A THUNK ??

A **thunk** is a thought provoking question, and one that has no right or wrong answer.

Last week's **thunk** was **"When you comb your hair, is it art?"** Some of the responses were:

- Well, if you study Talia B's hairstyle and chat to her about the "balance and "symmetry" of her cut, yes it's art
- Yes, coz I am a work of art
- I think it depends, because you might want to style it, but if you're just combing it straight, then I think it isn't
- Yes, because you are creating something out of nothing every time
