

# GROVE TALK

24 AUGUST 2011

Dear Grovites,

Last Friday's assembly shared with the children two very important ways to behave like good citizens. We had 3 traffic officers who spoke to them about how to be responsible in the traffic and the importance of obeying traffic rules.

This was done in a fun and friendly manner and Officers Meyer and Xakeleli added to the assembly by ending it off with a spontaneous rendition of "I'll walk with God" and "In the morning of my life".

They will be giving Grade presentations early in Term 4 and running spot checks around the school. Please obey the rules and encourage and support them in their work.

The Grade 5D class presented a play and a powerpoint on sorting and recycling. They also presented the School with 3 big recycling bins.

Life is never boring at The Grove!  
Have a great week!

## **RAMBLERS - SATURDAY 27 AUGUST** **19h00**

**Braam Malherbe**, a motivational speaker, conservationist and extreme adventurer will be giving a talk at The Grove. He is one of a team of two that ran the entire length of the Great Wall of China, and has also run around the entire coast of South Africa.

Because Braam is a highly sought after speaker who is much in demand, the Ramblers have very kindly opened this meeting to all Grove families.

There will be no charge, but donations will be accepted for a charity that supports the environment.

Any queries, please contact Roger McCallum :
