

GROVE TALK

Celebrating 125 Years

25 AUGUST 2010

Dear Parents

The School Governing Body would like to express its grateful thanks to the management team, teachers and parents at Grove for the supportive and constructive manner in which you have all managed the recent industrial action.

Your collective efforts to minimise any disruption to the children and their teaching programme is greatly appreciated. NAPTOSA (the union to which most Grove teachers belong) voted against any protracted industrial action so tomorrow (Thursday, 26 August) will be the last of their four days of planned protest. The core teaching programme at Grove will NOT be affected so please send your children to school as usual. All school extra murals however have been cancelled so please make arrangements to collect your children at 14h30 sharp. Aftercare and private extra murals will go ahead as normal.

As part of the additional security measures we have put in place during this period, we will continue to keep the Feldhausen Gate closed in the mornings until further notice.

Thank you once again for your support and understanding.
