

GROVE TALK

3 AUGUST 2011

FROM THE SGB CHAIRMAN

We regret to announce that two of the parents who were elected to the School Governing Body (SGB) in 2009 have resigned. They are Sarah Nicklin, who was also the Vice-Chairperson and Mahmoud Khatib (MK), who initially served the SGB as Treasurer, and subsequently stepped down from that position, but continued to serve the SGB as a parent representative.

We would like to thank both Sarah and MK for their contributions to the deliberations and activities of the SGB in the time that they were there. They each added great value and their absence is already felt.

The SGB has, in line with the regulations governing school governing bodies, chosen to co-opt AJ Martin and David Schmidt into their positions as parent representatives on the SGB until a by-election can be held. This by-election is provisionally scheduled to take place at the annual budget meeting. However, both AJ and David have been active members of the SGB since 2009, with AJ being an active and valuable member of the Finance Committee and David Schmidt having driven the school strategy development process.

We would like to thank them for their invaluable contributions in the past, and even more so for their willingness to step into the breach.
