

Dear Parents.

2011

As I am sure you have heard Fives Tag Rugby recently held introductory Tag Rugby sessions for the Grade 2 and 3's at The Grove and the kids loved it. We would like to run Tag Rugby as a private extra mural in term 4 on a Thursday afternoon at the Oval. It will start on 20th October 2011.

Tag Rugby does not involve any scrums or line outs and there is no kicking. Tackles are made by removing a tag from the waist of the opposition. The emphasis is on all the children being involved in the game, learning the basic rugby skills in a safe, fun and enjoyable manner. Due to this all ages are welcome to attend. Both boys and girls play together.

The cost will be R360 for 8 sessions, payable in advance. The sessions will be 45 minutes after school on Thursday afternoons (Grade 1-2 at 13.30 -14.15) and (Grade 3 -7 at 15.00 to 15.45) at the Norwich Oval.

If you would like to enroll your son/daughter for Tag Rugby in the fourth term, please could you fill in and return the slip below.

Should you want to do an eft, our bank details are below. Please use your child's name and school as a reference.
