

30<sup>th</sup> May 2011.

Dear Grovites,

***Environment Day - Invitation to Walk to School: 3<sup>rd</sup> June 2011.***

On the 5<sup>th</sup> June, it is World Environment Day.

Part of Grove's Environment Day celebration will include a walk to school day on Friday 3<sup>rd</sup> June.

We have had a number of successful walk to school days and look forward to your participation on Friday. Learners are invited to gather at either of the two places marked on the map. Teachers and parents will be on hand to walk with them to school. Please encourage your friends to join in the fun!

Learners are welcome to bring home-made posters with them to the walk - some slogans could include - "We Need Trees"; "Oxygen is good for you", and/or the slogan of the last walk - "Walk More, Drive less, hoot if you agree" Be creative!

Learners should arrive at the meeting points between 7.15am and 7.35am and adults will be there to supervise. One group of walkers will leave for school at 07h20 and a second group of walkers will start at 07h40.

Some of our learners seem to bring a multitude of possessions with them to school each day, weighing them down considerably! We suggest that learners leave all non-essentials behind on Friday so as to lighten the load they have to carry!

Parents and guardians who walk with the children are invited to grab a cup of tea or coffee in the staff room once you get to school!

Given the weather of the last few days, this event is clearly weather dependent! For queries – phone Liz on 082 7315643 or speak to Sally Boule at Grove.
